Subject:-- Recommendation for an honorarium to the Establishment of the Dt.Educational Officer, South Kanara in connection with the election work of the Dt.Secondary Education Board,S.K.

I have the honour to state that in view of G.O.No.515, Mis., Law (Education), dated 6-4-1923, the work connected with the election of members to the reconstituted Board was done by the establishment of the District Educational Officer. The clerk immediately in charge of the election work represented to me that Government might be moved to sanction an honorarium to the establishment in view of the arduous nature of the work

2. Personally, I feel that the work of the election, -- unlike that of the previous elections has been such as would have justified the appointment of a temporary clerk. While admitting that the work of the election was done more expeditiously than in previous years, it may be stated, that the work has, nevertheless, involved extra time and labour for the Head Clerk and the 4th Clerk of the District Educational Officer. In the G.O. quoted above the Government have further stated that in case temporary assistance is required, the services of the Headquarters Deputy Inspector should be utilise It has never been feasible or possible in this District to carry out this suggestion as the headquarters Deputy Inspector who is already over-worked, happens to be the Secretary of the District Educational Council, South Kanara. So, the work

wholly

wholly devolved upon the clerical establishment of the District Educational Officer.

3. Secondly, it may be pointed out that according to the old G.O. the publication of the Electoral Rolls in the District Gazette, would practically finish the major portion of the work. This time the procedure has been totally different and has involved heavier work for the clerks. The electoral rolls for each constituency had to be cyclostyled and separately despatched to all concerned. Even covers (Form IV) had to be addressed and other appendices cyclostyled in the office and sent to each elector. Mention has also to be made of intermediate references in answering several queries from the electors.

4. The vast increase in the number of electorates this time has also to be considered, the electors from among the staffs being in large numbers. In this District there was contest only in the constituency of staffs (other than headmasters). The work as it was, was heavy enough; and if there had been contest in each of the other constituencies the volume of work would certainly have increased two-fold.

In view of the above, I have to state, that while laying down my office, I feel I would be wanting in the discharge of my duty, if I do not recommend to the Government that it may be pleased to sanction an honorarium of not less than Rs.50/- each to the Head Clerk and to the 4th Clerk of the District Educational Officer for the heavy and responsible work done by them in connection with the recent election to the Board.

I have the honour to be,
Sir,
Your most obedient servant,

President,
Dt.Secondary Education Board,
South Kanara.

From (Name) R.G.GRIEVE, Esq., M.A.,

(Designation) Ag: DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

In resubmitting herewith Government Endorsement No.2-B.1 dated the 7th January 1929 referring to me for remarks the letter R.O.C.No.27.DSE dated the 26th December 1928 of the President, District Secondary Education Board, South Kanara, recommending an honorarium of not less than Rs.50/- each to the Head Clerk and 4th Clerk of the office of the District Educational Officer, South Kanara, for work done by them in connection with the recent election to the District Secondary Education Board, I have the honour to invite a reference to G.O.Nos.515 Law (Education) dated 6th April 1923 and Mis.847 Education dated 6th May 1927 and to state (P.T.O)

and to state that I cannot recommend payment of an honorarium to the Clerks in view of the fact that the work done by them in connection with the Board forms part of their official duties. It is true that this is an addition to the ordinary work of the establishment of the District Educational Officer's office, which is already heavy.

I have the honour to be,

Sir,

Your most obedient servant,

H. D. Saunders Sd/,

for Director of Public Instruction.
